## ERAFP launches a tender for consulting firm(s) specialising in assessing climate change-related risks and opportunities

Paris, 18 September 2019 – As part of its ongoing engagement in the energy and ecological transition, strengthened by its commitment to meeting regulatory requirements, ERAFP, the French public sector additional pension scheme, is launching a tender to select one or more consulting firms specialising in the assessment of climate change-related risks and opportunities.

The tender's purpose is to select one or more consulting firms specialising in measuring climate change-related risks and opportunities in order to assess the exposure of ERAFP's portfolios. The briefs will be divided into two lots:

### **Lot 1 – Assessment of the exposure of ERAFP's equity and bond portfolios to climate change-related risks and opportunities**

The purpose of lot 1 is to use indicators such as carbon footprint and contribution to the energy transition to measure the exposure to climate change-related risks and opportunities of the following portfolios: euro-zone and Europe, North American, Pacific-region and French equities; international convertible bonds; euro and US dollar-denominated OECD and emerging country corporate bonds; and government bonds.

### **Lot 2 – Assessment of the exposure of ERAFP's real estate, infrastructure and private equity portfolios to climate change-related risks and opportunities**

The purpose of lot 2 is to measure the exposure to climate change issues of the real estate, infrastructure and private equity portfolios.

The length of these contracts will be three years.

The tender file is available at [www.achatpublic.com](http://www.achatpublic.com). There is a link to this platform from the ERAFP's website.

The deadline for the submission of bids is 12 p.m. (Paris time) on 8 October 2019.

#### **ERAFP: France's number one public service pension scheme and full-SRI institutional investor**

*With more than EUR 33 billion in financial assets wholly invested in accordance with a fully socially responsible investment approach, ERAFP is Europe's leading SRI institutional investor. From its inception in 2005, ERAFP's board of directors has sought to maximize returns on its financial asset portfolio in accordance with SRI-driven principles. As a signatory of the UN Principles for Responsible Investment, ERAFP adopted an SRI Charter in March 2006 hinging on five values: respect for the rule of law and human rights; social progress; social democracy; environment; and standards of governance and transparency.*

*ERAFP is also one of the world's largest public pension funds in terms of member numbers, with over 4.5 million beneficiaries, more than 44,000 employers and nearly EUR2 billion in annual contributions. As a mandatory points-based pension scheme, it has been managing supplementary pension benefits for French civil servants in state-run bodies, local authorities and public hospitals since 1 January 2005.*
